## Farmers' Markets

Farmers' Markets - the oldest venues for selling farm fresh produce - represent free enterprise at its best. Farm families and consumers meet to buy and sell the freshest and best-tasting local foods. Baskets of colorful fruits and vegetables, specialty herbs, fresh flowers, and artisan bread decorate each aisle. On market day, the scene is festive. Parks are filled with the freshest food and festivities as people come together to celebrate community and agriculture.

Please join us in celebrating Idaho's natural bounty and visit a farmers' market near you. We look forward to seeing you!
