Internship Announcement: 2020 Conservation Outreach Internship — Central Idaho, Ketchum ICL Office

Summary of Position
The Idaho Conservation League (ICL) is currently seeking a 2020 summer intern. The ideal applicant has a background or interest in empowering supporters, volunteers and others to become involved in conservation issues. This individual also has experience and/or interest in outdoor recreation, environmental studies or public policy. The intern will interact with and support communities and individuals in Central and Eastern Idaho who care deeply about enjoying and protecting Idaho’s environment.

Duties
Assist ICL’s Central Idaho office to connect people in the region with conservation campaigns. The individual will use engagement tools and outreach events to share ICL’s story and work in environmental conservation.

- Assist Central Idaho staff with outreach for conservation campaigns.
- Assist Central Idaho engagement staff by representing ICL at community summer events in the Wood River Valley and Magic Valley.
- Assist Central Idaho engagement staff in administering and implementing the Wilderness Stewards Program and Snake River outings series.
- Assist ICL’s communications team in promoting events via social media.
- Assist ICL’s development team with member appreciation activities.
- Lead at least two hikes, outings or events.

Necessary Skills
Strong work habits, excellent communication (written and verbal) and organizational skills, proficient social media skills, curiosity, eagerness to learn, and confidence as an advocate.

Internship Benefits
The internship will provide various professional development opportunities through real-world conservation work experience and exposure to the many roles within a statewide nonprofit organization. Our goal is to find an applicant who can make a contribution to our team by working to meaningfully advance ICL's goals and mission. In turn, the intern will gain experience and knowledge, and make connections that will further their career.
Hours and Compensation
The internship will be 10 weeks in length, from June to August, and is anticipated to require an average of 20 hours per week fulfill. The exact start and end dates are somewhat flexible. This position will include some weekends and evenings and possible overnight travel. A stipend of $1500 is available, and when pre-approved, travel costs may be reimbursable. Credit may be possible for those still enrolled in a college or university program. This position is based out of the Ketchum office.

Application Process
Applicants should send a cover letter, resume and 3 references to ICLjobs@idahoconservation.org with ICL CENTRAL IDAHO INTERN in the subject line. Applications will be accepted until April 1, 2020
