Internship Announcement: 2020 Conservation Outreach Internship —
North Idaho, Sandpoint ICL Office

**Summary of Position**
The Idaho Conservation League (ICL) is currently seeking a 2020 summer intern. The ideal applicant has a background or interest in engaging ICL members, supporters, volunteers and others to become involved in conservation issues in North Idaho and statewide. This individual also has experience and/or interest in environmental communication, grassroots activism, outdoor recreation and organizing for change.

**Duties**
Assist ICL’s North Idaho office to connect people in the region with conservation campaigns using digital engagement advocacy tools and help or initiate events that share ICL’s story and work.

- Assist North Idaho engagement staff by representing ICL at community summer events.
- Assist ICL’s communications team in promoting events via social media.
- Assist ICL’s development team with member appreciation activities.
- Recruit volunteers for future events and advocacy.
- Lead at least two hikes, outings or events.

**Necessary Skills**
Strong work habits, an excellent communicator, proficient in social media, initiative, creativity, curiosity and an eagerness to learn.

**Internship Benefits**
The internship will provide a variety of professional development opportunities through real-world conservation work experience and exposure to the many roles within a statewide nonprofit organization. Our goal is to find an applicant who can make a contribution to our team by working to meaningfully advance ICL's goals and mission. In turn, the intern will gain experience and knowledge, and make connections that will further their career.
**Hours and Compensation**

The internship will be 10 weeks in length, from June to August, and is anticipated to require an average of 20 hour per week. The exact start and end dates are flexible. This position will include some weekends and evenings and possible overnight travel. A stipend of $1500 is available, and when pre-approved, travel costs may be reimbursable. Credit may be possible for those still enrolled in a college or university program. This position is based out of the Sandpoint office.

**Application Process**

Applicants should send a cover letter, resume and 3 references to ICLjobs@idahoconservation.org with **ICL NORTH IDAHO INTERN** in the subject line. Applications will be accepted until Monday, April 20, 2019.
